In 1931, street addresses and some names changed.

The first barbershop location of Jos. Gottsacker was 390 E. Morrison, now 424 SE Morrison.

564 Center (place that Catherine Linder lived until death) is now 1330 SE Center

Laurelhurst was platted in 1909. Was owned by the Ladd Estate Company—a corp organized to administer the lands owned by William S. Ladd after his death in 1893. Was originally 462 acres. Ladd had bought the farm from Thomas Frazar in 1869.

Ladd Estate Co sold the land to the Laurelhurst Company in 1909 for about \$4500 an acre. 31 acres was sold to the city for a park (at about \$3000 an acre). The name came from the developer who named it after a development he did in Seattle, overlooking Lake Washington. The lots in the development were sold by 1914 and 500 houses were built..
